TRADE OF HAWAII HAS ALMOST BEEN DOUBLED IN ELEVEN YEARS

Hawaii's total trade is now approximately \$75,000,000 a year. It has increased from \$40,000,000 in 1904, says the San Francisco Chronicle of June 1. Its per capita commerce is \$369 annually. The future of its industries under favorable conditions seems secure.

E. E. Brand of the United States department of commerce has sent out a report on Hawaiian trade, satisfactory to San Franciscans because the bulk of the business with Hawaii is done with San Francisco.

According to the statement Hawaii bought nearly \$28,000,000 worth of goods in 1914, mostly from the United States. Hawaii shipped out nearly \$49,000,000 worth of goods, divided in this manner:

Sugar \$39,500,000
Canned pineapples 6,000,000
Coffee 500,000
Other articles in excess of \$100,000 are hides and skins, molasses, rice,

bananas and fresh pineapples.

The sugar crop will this year approximate 620,000 tons. The coffee crop is exceptionally heavy and pine-apple canning will be conducted on a more extensive scale than ever. The canned Hawaiian pineapple has almost entirely displaced the Singapore article in the United States.

Brand summarizes the Hawaiian trade in 1914 as follows:

Countries	Imports	Exports
United States	\$21,800,000	\$48,300,000
Japan	2,506,000	21,000
India	877,000	
Australia and Tasmania	750,000	3,000
Germany	483,000	33,000
Chile	421,000	
Hongkong	352,000	23,000
United Kingdom	310,000	111,000
Philippine isls.	127,000	178,000
New Zealand	66,000	2,000
Canada	45,000	41,000

RALLY HUNDREDS OF STUDENTS FOR BISHOP SERVICE

Arrangements are now complete for the special memorial services in honor of Charles R. Bishop, which are to be held at Kawaiahao church next Sunday afternoon at 4 o'clock.

Harold Godfrey and Miss Lydia Aho, representing the alumni and alumnae associations of the Kamehameha Schools, have sent out notices to the members of their organization urging them to turn out in full force. Mr. Godfrey wishes to announce through the Star-Bulletin that every former graduate and student of Kamehameha is urgently requested to be present at this special services.

Hon. W. O. Smith, president of the board of trustees of the Kamehameha schools, will give the main address. Mr. Smith knew Mr. Bishop for 50 years, first coming in touch with him when he was a student at Punahou.

Fred Beckley of the class '93, who knew Mr. Bishop well as an alumni member, will also speak Sunday. The music for the occasion will be rendered by J. D. French of the Normal School and the Girls' Glee Club. The students now remaining in school for the summer will attend the services.

COURT AND JURY VISIT SCENE OF INJURY TO LAD

Circuit Judge Ashford held court yesterday in a little Chinese store on Beretania street near King. It is at this store that Chuck Hoo, under indictment in circuit court for murder in the first degree, is said to have thrown a stool which struck Lam Young Yuen, a nine-year-old Chinese boy, who later died of his injuries.

After a jury was secured, counsel for both sides agreed that the premises should be visited before any testimony was brought in. The police patrol and several automobiles were called into use to convey the court, the attorneys, court officials, the jurymen and a lone reporter to the store. The defendant, a well-built, good-looking Chinese, accompanied the party. While on the premises attention was paid to the measurement of certain distances, Judge Ashford stepping off the number of feet from place to place with alacrity. Few questions were asked by the jurymen.

The prosecution is being assisted by Attorney Frank Thompson, W. T. Rawlins and Judge A. S. Humphreys are attorneys for the defense.

WHAT TO DO FOR SOUR ACID STOMACHS

Take a teaspoonful of Bisurated Magnesia in a fourth of a glass of water to neutralize the excess acid and you will obtain complete relief in from one to five minutes. Do not take strong drugs, nor soda, as pure soda liberates carbonic acid gas and may cause stomach dilation, which is most difficult to cure. Bisurated Magnesia is sold by all druggists in powder or tablet form.—Adv.

LAUNDRY AT LEAHI HOME.

Leahi Home will erect a laundry on the institution grounds according to plans made and announced today. Application has been made of Building Inspector Fred W. Beckley for a permit to construct a one-story concrete building at a cost of about \$2000 to be used for a laundry.

The case of Henry A. Foster against J. V. Fernandez, an action for debt, was discontinued in Circuit Judge Stuart's court today.

SEVEN HUNDRED KNOW WHAT NAVY HOSPITALITY IS

"The best dance ever given aboard a ship of the United States navy."

That is the way one naval officer sized up the dance given last night by the crew of the Maryland in honor of their Honolulu friends. From start to finish the affair was a bang-up success, and in many ways a new mark was set for navy hospitality.

Fully 700 of Honolulu's citizens were present, and every available space for dancing was used. The ship was brilliantly lighted from stem to stern. In addition to the Maryland's band, which played on the quarter-deck, there were an orchestra from Fort Chafer and a native orchestra, so that there was dancing on all parts of the ship.

Shortly after 7:30 o'clock, the first of the large crowd arrived, and from then until the end of the evening there was a continual stream of visitors on board, and due to the excellent work of the committees appointed by Chaplain McNair, there was not a jarring note in the entire evening.

As the visitors came aboard, they were met by the reception committee, and the ladies shown to the reading room, which was converted into a checking room, with a matron in charge. Seats were provided about the quarterdeck and boat deck, and those who did not wish to dance were amply provided for.

The three-step was introduced and took immediate hold among the fair sex of Honolulu, and there were a great many of them who evidently had been previously instructed by the sailors, for quite a few danced all the three-steps that were played.

The wardroom mess of the Maryland will give an informal buffet lunch tomorrow for those invited aboard to witness the Kamehameha Day sports from the vessel.

BLOOD WILL TELL

PARIS, June 10.—Many young men have been lost in France by the fact that their blood was out of order and impure when they started out in this campaign as soldiers at the front. Many of them never reached the battle line because they were taken sick in camp, due to stomach and bowel troubles, and with blood powerless to resist. Young men and old men in America should be just as watchful of their blood to see that it is pure, that their stomach is acting well and the liver active.

It takes lots of vitality, nervous force and strength to win a race. Blood must be pure and good.

Keep the nerves nourished, the heart strong, the head cool, the stomach vigorous, the liver active with a tonic, which has stood the test of time and has a wide reputation, such as Doctor Pierce's Golden Medical Discovery. It is the world's great Blood Purifier; it enters joints, dissolves the impure deposits and carries them out, as it does all impurities, through the liver, bowels, kidneys and skin.

If you have indigestion, sluggish liver, backache over the kidneys, nasal or other catarrh, unsteady nerves or unsightly skin, get Dr. Pierce's Golden Medical Discovery today and start at once to replace your impure blood with the kind that puts energy and ambition into you and brings back youth and vigorous action.—Adv.

IMPORTANT SPECIAL OFFER TO READERS OF THIS PAPER

Any person desiring a copy of The People's Common Sense Medical Adviser before the edition is exhausted should send this notice together with three dimes or stamps, to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and a copy will be sent by return mail, all charges prepaid.—Adv.
